RAPID CITY, S.D. – Police Officers were out patrolling the golf course this morning for the 4th Annual Cops Fore Kids Open. The event at Hart Ranch benefits Big Brothers. Big Sisters of the Black Hills and South Dakota Youth Hunting Adventure.

All the proceeds go towards helping children throughout the Black Hills.

“We’ve had about 20 teams show up. You know everybody is here standing with the kids in their community and they’re defending their potential. In turn, saving their future so we think that’s pretty awesome,” said Savannah Seeger, the Development Director of Big Brothers, Big Sisters.

Both organizations help kids find mentors, teach them basic life skills, and take kids for trips and outings.
