Provide children facing adversity with strong and enduring professionally support one to one relationships that change their lives for the better, forever.

BBBS PROGRAM OFFERINGS

COMMUNITY-BASED PROGRAMS:

- Big Brothers, Big Sisters, Big Couples and Big Families volunteer opportunities are designed to match children between 5-17 years old with an adult who can serve as a positive role model, giving a child a chance to see their unlimited potential, and providing the opportunity to develop into a more responsible, successful and well rounded individual.
- Bigs in Blue us a one to one mentoring program that connects youth with police in departments throughout our community to build strong, trusting, and lasting relationships. These relationships can help children develop into confident adults, as well as helping build stronger bonds between law enforcement and the families they serve.

SITE-BASED PROGRAMS:

- Campus Kids (CK) is a staff supervised group-mentoring program. The CK program is intended for Littles who are waiting to be matched with a Big of their own. All enrolled Littles are invited to participate while they wait for a mentor to be matched with! The group meets once a week on the South Dakota Mines campus and is led by college students volunteer leaders.
